

The FIM CEV Repsol sells Honda model NSF250R motorcycles to participate in the European Talent Cup 2020

The FIM CEV Repsol will make 6 second hand motorcycles from the British Talent Cup, together with some sets of rims and stands, available to the participants of the European Talent Cup 2020 for purchase. The prices will be the following:

- 1 bike + 1 set of stands: €6,003
- 1 bike + 1 set of stands + 1 set of rims (O.Z.): €6,403
- 1 bike + 1 set of stands + 2 set of rims (O.Z.): €6,803

For those interested in new Honda model NSF250R motorcycles, there are available units manufactured in 2017 and 2018. They are brand new and have zero kilometers. The price is €12,000 for the motorcycle manufactured on 2017, and €13,000 for the motorcycle manufactured on 2018.

In all cases -second hand or new Honda model NSF250R motorcycles-:

- The prices will be incremented with the corresponding VAT if applicable.
- The shipping costs, if applicable, will be paid by the buyer.

The applications for the purchase of one or more of these motorcycles can be made by contacting info@fimcevrepsol.com. Please bear in mind that the eligible riders for the purchase of any of these motorcycles will be among those selected riders to participate in the ETC 2020 whose entry must be formalized not later than 29th February.
